

The Board of Directors' proposal on authorisation for the Board of Directors to resolve on new share issue for the purpose of financing acquisitions

The Board of Directors proposes that the Annual General Meeting resolves to authorise the Board of Directors to resolve, until the next Annual General Meeting, on one or several occasions, with or without deviating from the shareholders' preferential rights, against cash payment, through set-off or against consideration in kind, on issuance of new ordinary shares.

The number of shares in the company may, by virtue of this authorisation, not exceed an increase of ten (10) per cent of the number of shares on the date of the Annual General Meeting.

The purpose of this authorisation is solely to enable the raising of capital for financing of acquisitions of companies or businesses and larger portfolio investments.

The subscription price shall be marketable and determined in accordance with the prevailing market conditions at the time the shares are issued.

The Board of Directors also proposes that a resolution is adopted at the Annual General Meeting granting the CEO, or an individual appointed by the CEO, the authority to make any minor adjustments to the shareholders' resolution as may prove necessary in conjunction with the registration of the resolution.

For a valid resolution in accordance with the Board of Directors' proposal as per above, the resolution must be supported by shareholders representing at least two thirds of both the votes made and the shares represented at the Annual General Meeting.
